SECTION DALLAS PARKWAY TO TEMPORARILY CLOSE NEXT TWO WEEKENDS

(July 5) Dallas Parkway between Main and Eldorado will be closed to traffic on the weekends of July 9 & 10 and July 16 & 17.

The first weekend closure will begin at 7am on Saturday, July 9th. The closure will last until 5pm on Sunday, July 10th. The second weekend closure will begin at 7am on Saturday, July 16th. That closure will last until 5pm on Sunday, July 17th.

The closures are necessary while crews extend storm sewer across Dallas Parkway, replace sections of concrete on Dallas Parkway near Main Street, and complete the intersection of Dallas Parkway and Technology. Variable message signs will be up and running at several locations near the area reminding motorists of the closures. During the closures, detour signage will be in place.

The major detour route will be Legacy between Main and Eldorado. Frisco Street is also expected to be open between Main and Eldorado and will provide a second alternate route.
